

Butterflies LIVE!

Below are a sampling of butterflies you *may* see while visiting. Throughout the course of the exhibit we'll have butterflies from 24 different species. What you will see from day-to-day will vary depending on availability and what is emerging from our chrysalides -- a good reason to come back again and again!

Blue Morpho

Zebra Longwing
Heliconius charithonia

Emerald Swallowtail
Papilio palinurus

Malachite
Siproeta stelenes

Erato Longwing

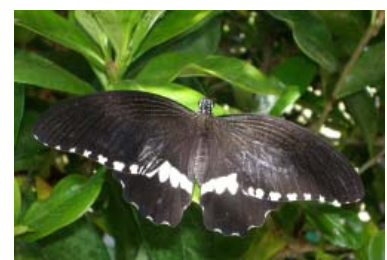

Julia
Dryas iulia

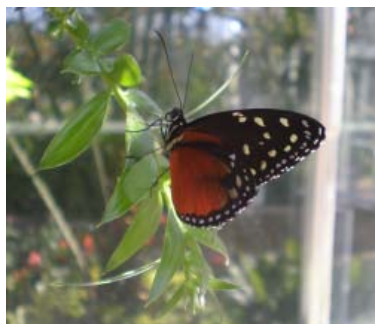

Rusty-tipped Page
Siproeta epaphus

Common Green Birdwing
Ornithoptera priamus

Common Mormon
Papilio polytes

Tithorea tarracina

Blue Wave or Banded Purple Wing
Myscelia cyaniris

Green Longwing
