GUIDED TOUR TOPICS

FROM BICYCLE CLUB TO BOTANICAL GARDEN

AVAILABLE YEAR ROUND

Find out how the beauty of today's botanical garden began in the bicycle craze of the 1890s as you learn about the history of the property. Your experienced Guide will share seasonal highlights and let you see why the Travel Channel calls Lewis Ginter one of the "Best Botanical Gardens in the U.S." This tour will allow you to see most of the Garden's 50 landscaped acres!

THE HEART OF THE GARDEN

AVAILABLE YEAR ROUND

Designed for groups who wish for a more leisurely tour experience. Explore the Central Garden along the flat pathways closest to the Robins Visitor Center. Enjoy the Conservatory displays and the Louise Cochrane Rose Garden (during peak season only). Visit the Kelly Education Center and discover your favorite book in the Lora Robins Library. Garden Guides can pace the visit to suit your group. Abundant displays from orchids to artwork make this a rewarding visit without extensive walking.
