GUIDED TOUR TOPICS

FROM BICYCLE CLUB TO BOTANICAL GARDEN

AVAILABLE YEAR ROUND

Find out how the beauty of today's botanical garden began in the bicycle craze of the 1890s as you learn about the history of the property. Your experienced guide will share seasonal highlights and let you see why the Travel Channel calls Lewis Ginter one of the "Best Botanical Gardens in the U.S." This tour will allow you to see most of the Garden's 50 landscaped acres!

CENTRAL GARDEN TOUR

AVAILABLE YEAR ROUND

Designed for groups who wish for a more leisurely tour experience. Explore the Central Garden along flat pathways closest to the Robins Visitor Center. Enjoy the Conservatory displays, the Kroger Community Kitchen Garden, and the Louise Cochrane Rose Garden (during peak season only). Garden Guides can pace the visit to suit your group. Abundant displays from orchids to artwork make this a rewarding visit without extensive walking.

DOMINION ENERGY GARDENFEST OF LIGHTS EARLY BIRD TOURS

FRIDAY, NOVEMBER 22, 2019 — MONDAY, JANUARY 6, 2020

Reserve a time for your private group of 15 to 40 adults to enjoy an early-evening exploration of Dominion Energy GardenFest of Lights with a knowledgeable Garden Guide. Admire the unique hand crafted botanical decorations, the enchantment of model trains and lavish seasonal displays as you learn the behind the scenes details. Be on site as darkness falls and the magical light display is revealed.
