

2023 PHOTOGRAPHY SESSION RESERVATION POLICY

SCHEDULING YOUR PHOTOGRAPHY SESSION:

We require any photo shoot being hosted at the Garden to obtain a photography session permit, so that they will have access to spaces normally open to the public for photo shoot purposes. This includes any shoot involving wardrobe changes/specific attire (i.e. prom, engagement, graduation etc.), and all forms of photography (i.e. smartphone, professional cameras, amateur photographers, etc.)

Photo sessions are scheduled Monday – Tuesday from 9:00am – 3:30pm, or Wednesday - Friday 9:00am - 7:30pm. Unfortunately, we are not always able to accommodate photo sessions during the weekends as these are the days in which the Garden is most heavily visited and we cannot ensure Garden spaces will be easily accessible.

These sessions include complimentary admission for up to six guests; all others must pay regular Garden admission. You will be responsible for bringing in your own photographer as we do not provide photographers, but their admission is included within the six complimentary guests that are part of your reservation.

Any clients who have rented the Garden for both their ceremony and reception do receive one complimentary 1½ hour photography session under the same guidelines.

RESTRICTIONS AND COURTESIES:

We encourage you to take photos with our beautiful Garden spaces as your backdrop in any available outdoor Garden space. Please be mindful that we are unable to reserve any specific Garden areas for photo sessions. We also do not allow photo sessions to occur in any interior buildings, including the Conservatory.

We ask that photographers and clients be courteous to Garden guests (including event guests) and their enjoyment of the Garden at all times. We do not allow the obstruction of Garden pathways, guest common areas, building entrances and exits and areas being used for private or Garden-wide events.

In order to protect our plant displays we do not allow photographers, clients, or equipment in any of our plant beds while taking photographs. The intrusion on exhibits is also prohibited.

Garden staff members are not available to accompany groups during these sessions but we do encourage you to pick up Garden maps at the Admissions Desk, located in the Robins Visitors Center, to familiarize yourself with our Garden spaces. This photography session is strictly for engagement photos, bridal portraits, save-the-dates, and family photos. Private ceremonies are prohibited with this package. Wedding inquiries may be directed to the contact information provided above.

CHANGING AREA

By request when making your reservation and based on availability, a restroom can be designated for a dressing area during the reserved photo session time only. Designated restroom locations are determined by the Garden. You must check in at the Admissions Desk in the Robins Visitors Center on the day of your reservation for location details.

LATE ARRIVALS

No adjustments to session times or designated restroom times will be made due to late arrivals the day of the reservation. Garden hours of operation are 9am – 5pm Monday - Tuesday / 9am - 9pm Wednesday - Friday, and are strictly enforced.

INCLEMENT WEATHER

A photography session may be rescheduled due to inclement weather through the Facility Events Coordinators under the terms above (within two hours minimum of their scheduled photography session). There are no refunds for photography sessions (to include non-rescheduled shoots or no-shows).

PHOTOGRAPHY SESSION RESERVATION POLICY CONTINUED

Lewis Ginter Botanical Garden is a private botanical garden that charges admission and photography session fees for guests and members accessing our garden areas. These fees are critical in directly supporting our Garden's mission.

The Garden would like to ensure you have a wonderful experience while capturing your special memories with us so we do require that all photography sessions, both personal and promotional, be scheduled in advance and paid in full at the time of booking through the Facility Events Department at (804) 262-9887, ext. 345 or 224. These sessions include any bridal, engagement, prom, maternity, graduation, and family photography.

Please note: we do not allow ceremonies at the Garden to use photography sessions. To have your ceremony at the Garden, please contact the Facility Events Department about our available package options.

We truly appreciate and thank you for your support.
