

Perpetual Journal and Field Sketching

Lara Call Gastinger

July 28th, 9-12

Supplies:

1. **A journal.** Page size should be around 6 x 9 (make it be a size that can easily travel with you!). If you want larger, that is fine. I also prefer Hot press (smooth paper) and heavy weight (140 is ideal but hard to come by). Not spiral bound. I think the softer journals are best since they can open flat.

This is the journal that I use. Use the code friends20 for 20% off.

Strathmore: <http://www.dickblick.com/products/strathmore-softcover-500-series-mixed-media-art-journal/#description>

Stillman & Birn, Zeta series: <https://www.dickblick.com/products/stillman-birn-archival-sketchbooks-zeta-series/>

2. Micron pen (size 005)

3. portable watercolor set (there are so many options out there!)

4. water brush (small size, Niji or Tombow) or portable brush that can fold with a water container

5. Hat, sunscreen, water, comfortable clothes/layers, bug spray etc.
